# FOUNDER'S MESSAGE

I am proud of the role Beaconhouse has played in setting new benchmarks in education over a period of four decades. Today the Beaconhouse group has over 315,000 full-time students in eight countries, making it one of the largest school networks in the region. Over the years, our schools have helped students become critical thinkers and problem solvers, equipping them with confidence to stand out from the crowd.

Establishing Concordia Colleges in 2014 is a testament to our resilience and our strength as a world-class education institution. We feel privileged to have played a role in the provision of quality education in this country and, equally, to have made significant progress towards the establishment of an international education brand that has its origin in Pakistan. We believe that education is the right of every child. We have therefore tried to reach out as far as we could by imparting distinctive and meaningful learning to as wide a cross section of society as possible – most visibly demonstrated, perhaps, by The Educators, our network of affordable associate schools.

As we continue to grow and evolve, each day brings with it new challenges and opportunities. I am delighted, therefore, to introduce our newest educational venture for those who seek to equip themselves to deal with the challenges of a rapidly modernising world. In this context, Concordia Colleges aim to offer world-class education, across the nation, which is both cost-effective and standardised. The Colleges are not only aiming at academic excellence but also nourishing intellectual and personal development across a range of extra and co-curricular domains.

Extracurricular activities are globally accepted as an added advantage for the grooming of students. They inculcate in students time management, team-building and problem-solving skills. I am happy that Concordia students are very actively engaged in sports and extracurricular activities and have secured positions and medals in National level competitions.

In this knowledge-based age, education is undergoing rapid transformation. The emergence of increasingly affordable digital products such as smart phones, tablets and e-readers is reshaping the way we think about teaching and learning. Concordia Colleges hope to attract enterprising students and faculty who are prepared to lead a revolution in pedagogy and open up new windows of learning.

I invite you to join our community of learners and acquire the skills needed to stand proud and play a role in the future of Pakistan.

**Mrs. Amina  
Wattoo Kasuri**

# PROJECT DIRECTOR

## CONCORDIA COLLEGES

Launched in 2014, Concordia Colleges has grown into a network that has spread in over 21 cities all across Pakistan. We are the first institution in Pakistan to offer blended learning by providing students with access to a variety of online resources to make learning an engaging and interactive experience. Concordia Colleges focus on grooming our students to be good human beings while training them for successful professional lives through the teaching of both theoretical and practical aspects.

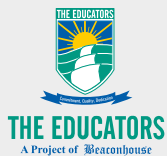

Concordia Colleges, as a project of Beaconhouse, aspire to cater to future educational needs at a national level. Beaconhouse has been imparting quality education of an international standard for the last 45 years. We believe our vast professional experience makes this franchise partnership a viable one in providing cost-effective education to prospective students. We look forward to embarking on this journey with you.

# Beaconhouse

## GROUP PROFILE

One of the leading institutions of the country providing quality education of international standards from Pre-Nursery to A Level through more than 190 campuses across Pakistan.

The first franchise school in the world, imparting a standardised quality of education to over 200,000 students, through more than 900 campuses in over 225 cities across the nation, with tuition fee a fraction of that at Beaconhouse.

Beaconhouse traces its history to Les Angles Montessori Academy (LMA), which began operations in Lahore in 1975 with a group of 19 toddlers. The educational philosophy of LMA is based on self-directed activity, hands-on learning and collaborative play.

The Beaconhouse National University (BNU) is a liberal arts non-profit institution offering undergraduate and graduate programs in Architecture, Computer and Information Technology, Education, Liberal Arts and Social Sciences, Mass Communication, and Visual Arts and Design.

Gymboree is the global leader in creating early childhood development programmes. It nurtures the development of children through engagement of parent and child in a variety of physical, cognitive and social activities for children from a few months to five years of age.

Premier DLC provides educational services ranging from professional development, curriculum development, school operations, community mobilization, assessment and evaluations, marketing campaign and survey, online courses, international educational programs and data analytics.

# OUTREACH

# WHAT IS CONCORDIA?

Concordia is situated in the heart of Karakoram Range, at the confluence of two great glaciers, the Baltoro Glacier and the Godwin-Austen. It is the base camp for the mountains like K-2, Broad Peak, and Gasherbrum as it is surrounded by eighteen peaks that are more than 5,000 meters high. Inspired by the same idea, Concordia Colleges have expanded their network in the world of academia for the students who aspire to get high class education and start their career with strong academic basis.

# VISION

To provide a nurturing academic environment where students are transformed into creative, confident and socially responsible adults who are ready to take on life challenges.

# MISSION

Concordia Colleges, under the umbrella of the Beaconhouse Group, offer quality education, which is comprehensive and inclusive of our core values and aims to build a high performance environment with prime focus on innovative, life and problem solving skills.

# OUR CORE VALUES

Concordia's core values help foster connection and trust between students and teachers. These values will serve as guiding principles:

## CREATIVITY

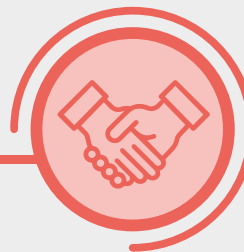

Concordia has always been creative and transformational with exploring new approaches. Analytical skills refer to the ability to collect and analyze information. We, at Concordia, emphasize on problem-solving and decision making. We facilitate student to use analytical skills when detecting patterns, brainstorming, observing, interpreting data, and making decisions based on the multiple factors and options available to them. We encourage and appreciate rational thinking and reasoning through scientific research procedures.

## SOCIAL RESPONSIBILITY

Social responsibility is the result of learning strategies. This indicates that active learning is inherent to citizenship education of students and teachers. It is important for developing the knowledge, skills and confidence to enable students to make their own decisions and to take responsibility for their own lives and communities.

## INTEGRITY

At Concordia, we are dedicated to provide an educational approach to academic integrity, recognizing the importance of assisting students in developing and demonstrating academic skills. It involves adhering to ethical standards in all aspects of academic work. It involves acting in accordance with the principles of honesty, fairness, trust and responsibility.

## DIVERSITY

Diversity is power. We believe our differences are our strengths. Embedding inclusion makes our students from all backgrounds feel respected, supported and valued. Diversity and inclusion offers possibilities for students to bring their passion and talent and be a part of dynamic, intellectual community built on mutual respect.

## EMPATHY

Empathy is at the heart of our learning and all we do. We build empathy by creating open communication, getting out of normal environment where biases are challenged via team building and improved self-awareness. For students who think and learn differently, it's extremely important that they understand one another's perspective to feel understood and supported.

He is looking after the whole bunch of academic activities in the Concordia Colleges, starting from appointment and training of teachers, managing classroom activities and providing platform for extra-curricular and sports to the students.

# WHAT SETS US APART

Concordia College students acquire critical thinking, reasoning and investigation skills, which sets them apart from students of other colleges that rely solely on rote-learning. Our syllabus and coursework are kept up-to-date with complete course content captured and recorded in educational video lessons. The very atmosphere that defines Concordia Colleges enhances creativity, confidence and self-discovery. Concordia Students will not only be able to make right choices for their future careers, they will also be inspirational for others by contributing fully for good values in the society. Concordia's competitive advantage is difficult to replicate as it focuses on new concepts to promote fluency in visual, oral and written communication amongst the students.

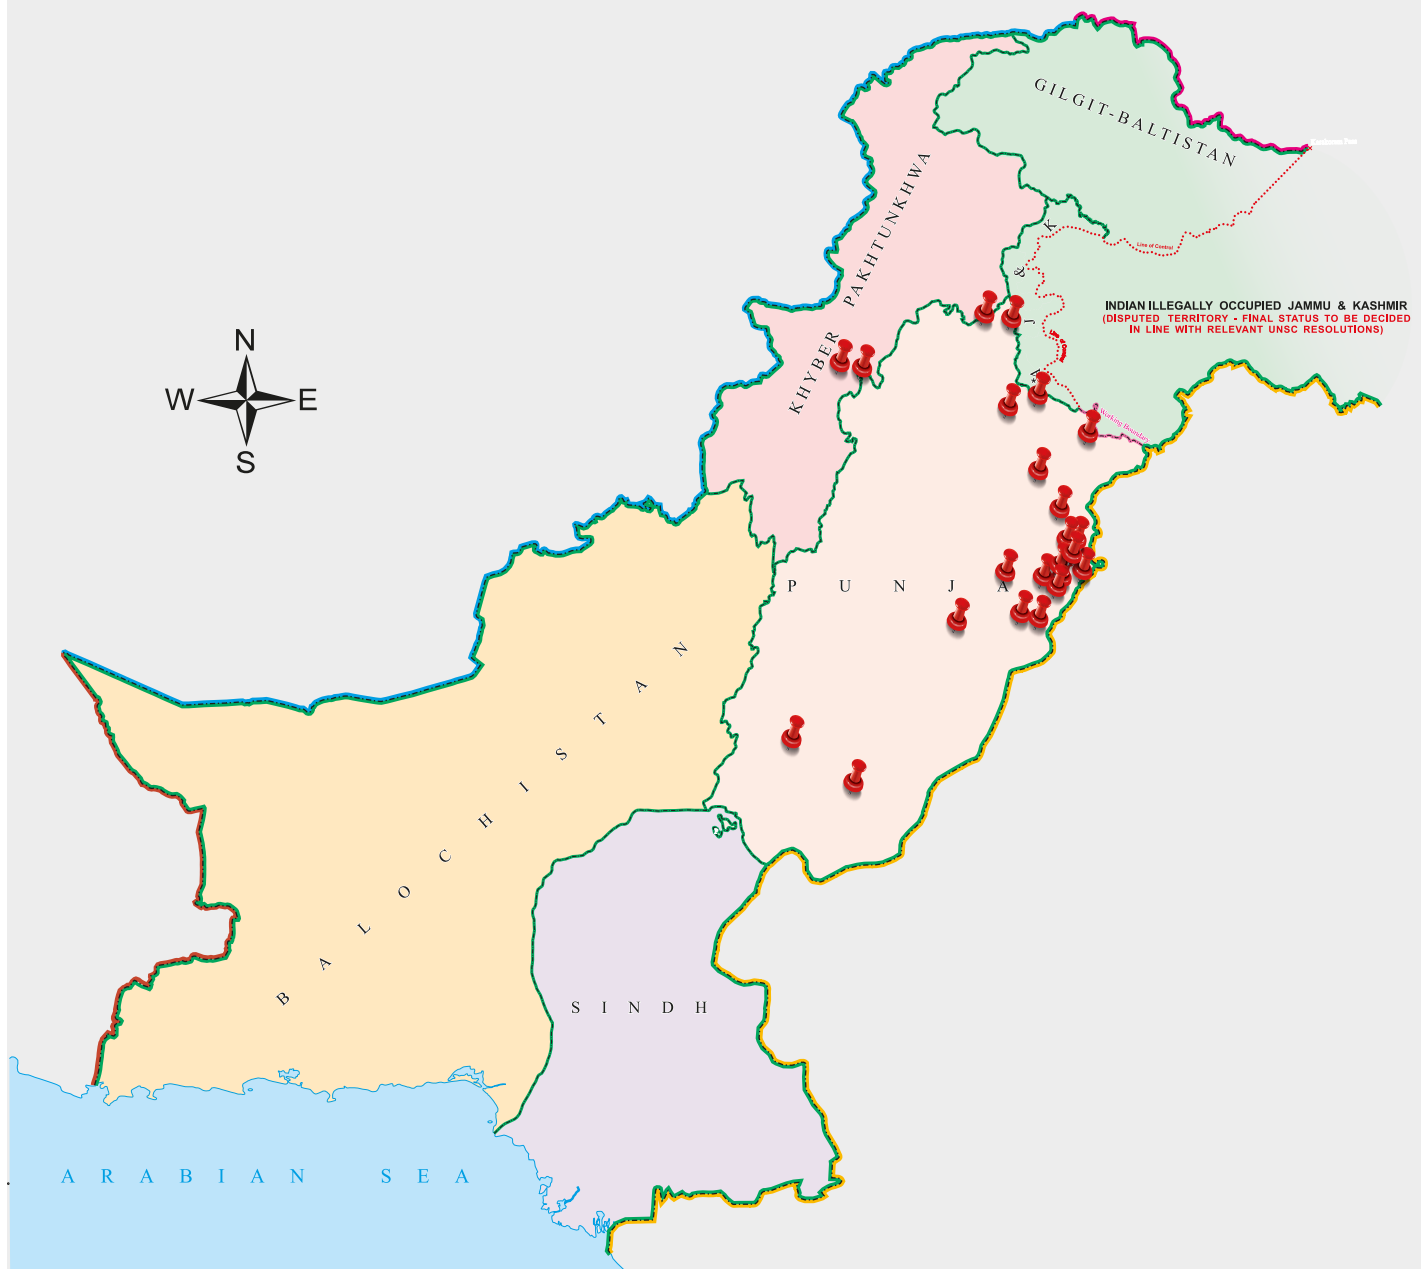

**Some additional features of our educational model include:**

- Centralised curricular and co-curricular activities to give equal opportunities to all students at our campuses
- Regular online quizzes through our LMS to assess students in their courses and expose them to recent developments in technology
- Comprehensive revision and test sessions are arranged on a regular basis to ensure students do well in their respective Board Examinations without seeking additional help
- Regular Training sessions for Concordia Teachers and Trainers so that they can efficiently monitor students' personality development and academic growth
- Health and Education Insurance plans to offer peace of mind to students and their families in case of any emergent situation

# ASSESSMENT & EXAMINATION

Concordia Colleges have developed a sound assessment & examination mechanism for students which is monitored and executed through experienced and dedicated subject specialists. The assessment & examination team provides expert support on all the elements that are required for preparing students to get maximum marks in the board examination.

These assessments not only prepare students for board examination but also depicts the overall understanding and knowledge of students. The performance of students is closely monitored and customized academic support is provided to them based on the identified areas of improvement. Our testing system, consists of monthly tests, send-up exams, and an extensive revision & test session, which ensures thorough preparation and precise evaluation.

# TEACHING AND LEARNING METHODOLOGY

## BLENDED LEARNING APPROACH

With the fast-paced technology development in the world, we believe our students need to use technology in and beyond the classroom. A blended learning approach is a combination of face-to-face interaction complemented with computer-based activities during lectures leading to an enhanced visual and audio learning experience. By using this approach, students are provided with multimedia-rich, interactive content on-demand, any time of the day, seven days a week. At Concordia, we feel that our Blended Learning Model is essential for complete learning. Some other important aspects of the Blended Learning Model are:

- Full provision of module-related documents in electronic format, including lesson videos
- Highly interactive and supportive classroom sessions
- Opportunities for students to learn collaboratively in groups
- Regular formative assessment with feedback
- Personal development planning

With this advanced interactive approach we enable our students to:

- Gain access to all learning content as lessons progress
- Measure their progress against learning outcomes and receive supportive feedback
- Participate in interactive learning opportunities during face-to-face sessions
- Engage in collaborative learning which goes beyond classroom discussions
- Create supportive learning networks accessible at any time or place
- Have a better understanding of their progress to become more efficient and successful learners

# LEARNING MANAGEMENT SYSTEM

Learning Management System (LMS) is one of the most important features of our educational model that distinguishes us from other institutions. This system provides students with lesson videos and course content. In addition to this, online quizzes provide students with a number of opportunities to think beyond the curriculum and to broaden their horizons. Students' from all our campuses participate in these quizzes and learn through healthy competition with their peers. Student feedback on the LMS allows them the freedom to communicate and share their ideas and thoughts. In this way, Concordia provides a standardised educational model across its different campuses.

# TEACHERS TRAINING PROGRAMME

Our experienced and subject expert teachers are the backbone of our success edifice. Professional dedication is trademark of our teaching faculty. The selection procedure of teachers at Concordia colleges is highly rigorous, comprising a comprehensive test followed by a full panel interview by renowned subject specialists. Moreover, we enhance the skills of our faculty by on job trainings and regular instructional workshops.

Upgrading capabilities and knowledge of the teachers is required to improve the standard of education in any institution. Concordia Colleges' arrange trainings for teachers by the academic department at the Head Office, where trainers are from well reputed institutions like Government College and The Punjab University. The training consists of general teaching methodologies, subject-specific training and board paper setting and paper marking techniques. This enables our teachers to perform well in the classroom and students to prepare for the board examinations.

# PARENTS ON BOARD

In order to ensure good academic results, institutions should keep all channels of communication and coordination open to all stake holders. With this aim, Concordia Colleges' arrange Parent Teacher Meetings after monthly tests and share the result of students with their Parents. These meetings have proved to be very useful because they keep parents updated about their child's progress on regular basis. In the light of mutual feedback the parents get a chance to make the required efforts to help their child in gaining best results in BISE examinations.

# STATE OF THE ART FACILITIES

Our campuses serve as the open door to discover teaching and learning the modern applications of all disciplines through collaboration across air conditioned and well equipped classrooms such as overhead projectors and LEDs, computer laboratories with internet facility and modern science laboratories that are designed to integrate teaching with the practical application of medical sciences.

# CO-CURRICULAR ACTIVITIES

## DRAMATIC SOCIETY

This society influence and encourage students from all walks of life, who come together to promote theatre and art. The purpose of this society is to provide individuals with a platform to express themselves, pursue new theatrical endeavours, experience innovative opportunities, and give back to society in the form of art.

## DEBATING SOCIETY

Debates and speech competitions are very important for the personality development of students and train them to put forward their point of view and arguments. This allows students to exchange their ideas and opinions confidently while respecting each other's perspectives. Participation in debates improves presentation skills of students as well as articulates their thoughts in the right direction. These competitions also play an essential role in the development of flexibility, tolerance, and resilience among students. Realizing these facts, Concordia Colleges' organises Debates Competitions every year.

### **Concordia Colleges' Annual Debates Competition 2021:**

Under the supervision of Concordia Colleges, Annual Debates Competition was held at E-library, Gaddafi Stadium, Lahore on Tuesday, 23rd February 2021. Students and teachers from all over the Punjab Campuses participated.

# EVENTS SOCIETY

## FOUNDING FATHERS' DAY

To nurture an enduring spirit of nationalism, patriotism and devotion to the nation, Concordia Colleges' always commemorate the country's founding fathers. We especially celebrate Pakistan Day, Independence Day, Quaid-e-Azam Day and Iqbal Day.

## RELIGIOUS DAYS

Every country celebrates days that reflect the significance of their religion. Concordia Colleges' encourages its students to celebrate important days of Islam every year according to the academic calendar with religious fervour and enthusiasm. Events such as Quran Khwani, speeches for the remembrance of Ashura Moharram, Naat Competition and Milad on Eid-e-Milad-un-Nabi (PBUH) are held at each campus.

## HIGH ACHIEVERS' EVENT

Students who bring fame and glory to Concordia Colleges, their high achievements are celebrated. For their success and honour, Concordia Colleges arranged a grand dinner at Royal Palm Golf & Country Club.

## WELCOME AND FAREWELL PARTY

Concordia Colleges follow traditions of welcoming new students and giving farewell to old students every year in order to provide an encouraging environment. This year also welcome and farewell party was arranged for the new and old students. These parties are arranged at prestigious venues like Pearl Continental Hotel, and Flatties Hotel in Lahore. Similar parties are also arranged in Islamabad, Kasur, Faisalabad, Gujranwala and other cities.

Second Year students presented tableaus and skits. This event provides a platform and opportunity to students to meet faculty members, seniors and officials from the Head Office. All the participants enjoy the event and dinner together.

## ANNUAL PRIZE DISTRIBUTION FOR INTER-COLLEGE GAMES SESSION

To commend the consistent efforts of students who excelled in sports during 2019-2020, Lahore Board Sports Department organised the Annual prize distribution for Inter College Games Session on 4th February 2021 at Government Post Graduate College, China Scheme, Lahore.

This society influence and encourage students from all walks of life, who come together to promote theatre and art. The purpose of this society is to provide individuals with a platform to express themselves, pursue new theatrical endeavours, experience innovative opportunities, and give back to society in the form of art.

## EMERGING TALENT CONTEST (ETC)

Emerging Talent Contest (ETC) is a social initiative that provides an opportunity for Matriculation students to exhibit their strengths both in curricular and co-curricular activities. Under the banner of CC quizzes based on matric syllabus, arts, and crafts, model making and debate competitions are held every year. A large number of students participate from various institutions across Pakistan.

## BLOOD DONATION SOCIETY

We as Muslims believe that “one who saves one life, actually saves the whole humanity”. Students of Concordia Colleges’ have been trained to be responsible adults who can take charge of their lives and can also help others in the society, if and when needed. Blood donation camps are set up at various campuses of Concordia Colleges. Every year students enthusiastically donate blood.

## ENVIRONMENTAL SOCIETY

Environment plays an important role in healthy living and the existence of life on planet earth. It is important for every individual to save and protect our environment. To make Pakistan environment friendly and less polluted, Concordia Colleges is helping Government of Pakistan in its national cause of tree plantation. For which recently, tree plantation campaign was organised.

Tree Plantation “**One Tree One Life**” Campaign:

Concordia Colleges’ initiated Tree Plantation Campaign “One Tree One Life” at E-Library Gaddafi Stadium, Lahore. The purpose of this campaign is to help the Government in the national cause of making Pakistan greener and clean for the future generations.

# MUSIC SOCIETY

Music society unites students on different types of music like classical, folk, eastern, western and modern. Different concerts and music competitions are held at Concordia Colleges to encourage students for the love of music and they may start it as their career.

## CONCERTS

### Atif Aslam:

Concordia Colleges North Region organised a Musical Concert of famous singer Atif Aslam on 11th Oct 2019 at Beaconhouse Margalla Campus, Islamabad. Around 5,000 students from Concordia Colleges' Islamabad, Rawalpindi, Nowshera, and Peshawar campuses attended and rejoiced the event.

### RDB:

Concordia Music Concert was held at Al-Hamra open-air Theater, Lahore. The bhangra king, RDB entertained the audience with his hit songs like Aloo Chaat, Sheira Di Kaum, and Paisa Paisa and so on. Umar Imtiaz, Bilal Haider, Yasra Haseeb also performed at the event.

### Edward Maya:

Concordia Music Concert was held at Hills Garden, Faisalabad. The Romanian DJ and king of EDM, Edward Maya enthralled the audience with his hit compositions like Stereo Love, This Is My Life, and Desert Rain and so on. Other emerging artists like Umar Imtiaz, Pukaar Band, Bilal Haider, and Yasra Haseeb were also part of the event.

# SPORTS SOCIETY

Won 588 MEDALS IN PUNJAB OLYMPIC SPORTS

## SPORTS GALA

At Concordia Colleges, we are actively involved in sports and ensure our participation in various sports events across Pakistan. In inter-college sports competitions 2019, twelve teams from Concordia Colleges' including Lahore, Kasur, Faisalabad, Gujranwala & Khudian Khas campuses participated.

**Inter-College Games Session 2021:**

**Concordia Colleges won 8 positions in the following fields:**

**1<sup>st</sup> position: Volleyball**

**2<sup>nd</sup> positions: Football, Kabaddi, Taekwondo and Tug of War**

**3<sup>rd</sup> positions: Karate, Weightlifting, and Cycling**

## EDUCATIONAL AND INFORMATIVE TOURS

Concordia Colleges' Administration has the policy to organise short and long educational and informative trips. Visiting historical and geographically important places open up new horizons for the students, while broadening their world view. They learn history lessons about civilizations, living lifestyles of people and atmosphere of different places. They also learn the advantages of living together by making unity in diversity. As, these recreational tours refresh students and prepare them for their future prospects of education. Such excursions provide them opportunities to refresh themselves from busy schedules of their studies.

## EMPOWERING STUDENTS

At Concordia, we encourage our students to study hard, be imaginative and develop new skills. They are also required to complete assignments on time and each student is asked to contribute to discussion groups through our Interactive Model Education (IME). Students also give presentations or write short papers on allocated topics. Teachers are advised to mark the student's test papers at their earliest time. Tutorials and colloquiums are also arranged on topics announced well in advance. Students are encouraged to express their ideas and opinions and to understand various perspectives.

# CODE OF CONDUCT

For enrolment, the College administration requires students to abide by College rules and regulations:

Students should uphold the honour and dignity of the College, as well as their self-respect. A breach of the Code of Conduct shall entail disciplinary action. Students are strictly advised to avoid matters that lead to the submission of fines such as misconduct, uninformed absence, non-payment of college dues, etc.

Students are required to wear their college uniform when they are on campus:

- Boys' Uniform - Khaki trousers, white shirt, striped tie, black belt, black shoes, and socks.
- Girls' Uniform - Khaki shirt with a white coat collar, white shalwar, striped dupatta, and black shoes.

Students must properly display their College Identity Cards. Failure to comply can lead to a fine, disciplinary action, and subsequent dismissal after the repeated offense.
