CONCORDIA COLLEGES 2023

FOUNDER'S MESSAGE

I am proud of the role Beaconhouse has played in setting new benchmarks in education over a period of more than four and a half decades. Today the Beaconhouse Group has over 315,000 full-time students in seven countries, making it one of the largest school networks in the region. Over the years, our schools have helped students become critical thinkers and problem solvers, equipping them with confidence to stand out from the crowd.

Establishing Concordia Colleges in 2014 is a testament to our resilience and our strength as a world-class education institution. We feel privileged to have played a role in the provision of quality education in this country and, equally, to have made significant progress towards the establishment of an international education brand that has its origin in Pakistan. We believe that education is the right of every child. We have therefore tried to reach out as far as we could by imparting distinctive and meaningful learning to as wide a cross section of society as possible – most visibly demonstrated, perhaps, by The Educators, our network of affordable associate schools.

As we continue to grow and evolve, each day brings with it new challenges and opportunities. I am delighted, therefore, to introduce one of our newest educational ventures for those who seek to equip themselves to deal

with the challenges of a rapidly modernising world. In this context, Concordia Colleges aims to offer world-class education, across the nation, which is both cost-effective and standardised. The colleges are not only aiming at academic excellence but also nourishing intellectual and personal development across a range of extra and co-curricular domains.

Extracurricular activities are globally accepted as an added advantage for the grooming of students. They inculcate in students time management, team-building, and problem-solving skills. I am happy that Concordia students are very actively engaged in sports and extracurricular activities and have secured positions and medals in national level competitions.

In this knowledge-based age, education is undergoing rapid transformation. The emergence of increasingly affordable digital products such as smart phones, tablets, and e-readers is reshaping the way we think about teaching and learning. Concordia Colleges hopes to attract enterprising students and faculty who are prepared to lead a revolution in pedagogy and open up new windows of learning.

I invite you to join our community of learners and acquire the skills needed to stand proud and play a role in the future of Pakistan.

Nasreen Mahmud Kasuri

PROJECT DIRECTOR'S MESSAGE

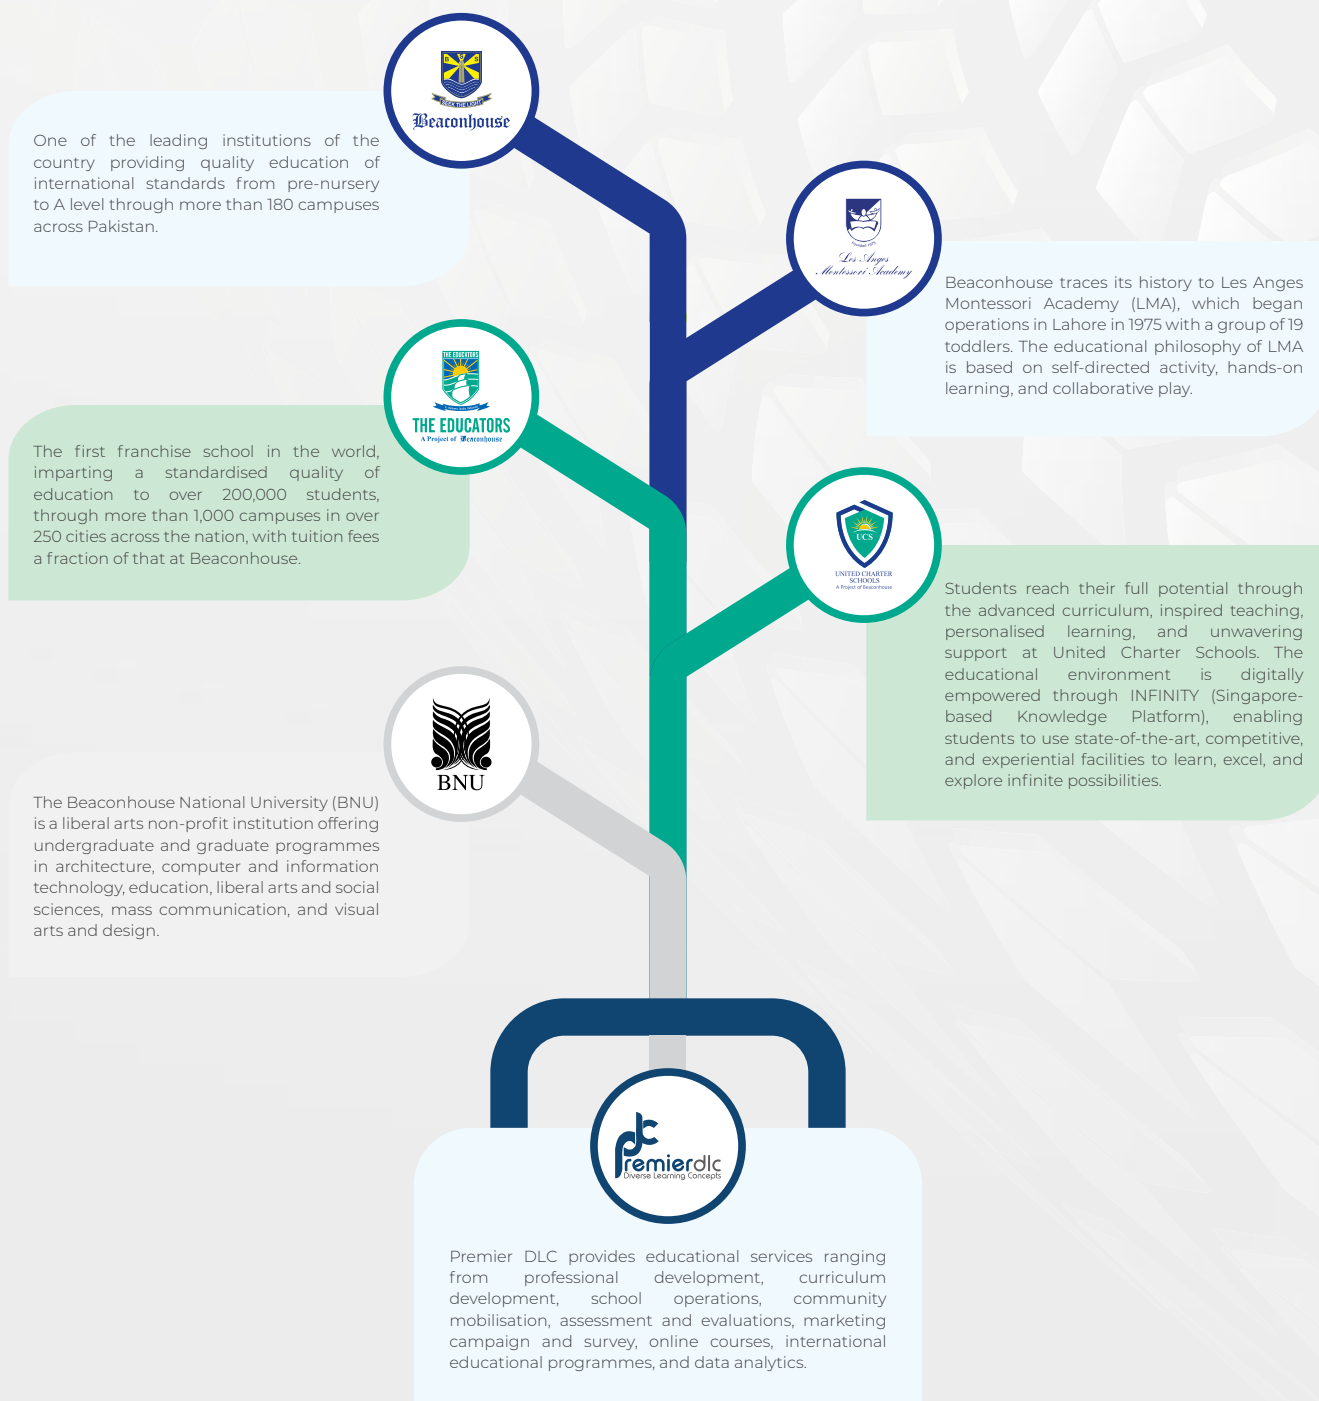

Launched in 2014, Concordia Colleges has grown into a network that has spread in over 35 cities all across Pakistan. We are the first institution in Pakistan to offer blended learning by providing students with access to a variety of online resources to make learning an engaging and interactive experience. Concordia Colleges focuses on grooming our students to be good human beings while training them for successful professional lives through the teaching of both

theoretical and practical aspects. Concordia Colleges, as a project of Beaconhouse, aspires to cater to future educational needs at a national level. Beaconhouse has been imparting quality education of an international standard for more than four and a half decades. We believe our vast professional experience makes this franchise partnership a viable one in providing cost-effective education to prospective students. We look forward to embarking on this journey with you.

Amina Wattoo Kasvi

BEACONHOUSE GROUP PROFILE

OUR OUTREACH

WHAT IS CONCORDIA

Concordia is the point of convergence between the Baltoro and Godwin-Austen glaciers deep within the Karakoram Mountain Range. 18 peaks with an elevation exceeding 5,000 metres are visible from the summit of Concordia, providing an awe-inspiring view of the breathtakingly beautiful landscape. Daring climbers often encounter Concordia on their journey as it serves as a base camp for perilous mountains like K-2, Broad Peak, and Gasherbrum.

As such, Concordia serves as a crucial stepping stone for those prepared to embrace the unknown. The same spirit holds true for Concordia Colleges and the educational careers our students experience. We not only equip students with the necessary tools for gaining admission into the most prestigious institutions for engineering, medicine, and more, both locally and abroad, we also individually nurture each student to maximise their potential as they continuously expand their horizons.

CONCORDIA
COLLEGES
A Project of Beaconhouse

OUR CORE VALUES

The core values of Concordia Colleges help foster connection and trust between students and teachers. These values will serve as guiding principles:

INTEGRITY

Integrity is a core value at Concordia Colleges. We prioritise ethical standards in all academic work and emphasise honesty, fairness, trust, and responsibility. We believe that integrity is essential to building a strong academic community, and we encourage our students to uphold these values throughout their academic and professional lives.

CREATIVITY

At Concordia Colleges, creativity is at the heart of what we do. We pride ourselves on our innovative and transformative approach to exploring new ideas and solving complex problems. Our students are equipped with strong analytical skills, which enable them to collect and analyse information with precision. We emphasise the importance of problem-solving and decision-making, empowering our students to detect patterns, brainstorm solutions, and interpret data. We encourage and value rational thinking and scientific research procedures, and appreciate the power of logic and reason to drive progress and innovation.

SOCIAL RESPONSIBILITY

Concordia Colleges believes that social responsibility is a natural outcome of active learning strategies. By empowering students with knowledge, skills, and confidence, we encourage them to take responsibility for their lives and communities. Through community service and outreach programmes, we inspire our students to become responsible and engaged citizens who make a positive difference in the world.

DIVERSITY

Concordia Colleges values diversity and believes that our differences are a source of strength. We prioritise inclusion and strive to create a welcoming environment where all students feel respected, supported, and valued. By embracing diversity, we encourage students to bring their unique talents and passions to our dynamic and intellectually stimulating community.

EMPATHY

At Concordia Colleges, empathy is central to everything we do. We create open communication and provide opportunities for students to challenge their biases through team-building and self-awareness. For students who learn and think differently, understanding each other's perspectives is crucial. By fostering empathy, we aim to create a supportive and inclusive community where all students feel valued.

OUR CORE TEAM

MR. ALI RAZA
Group Director
Beaconhouse

Mr. Ali Raza holds a bachelor's degree in engineering and a master's degree in environmental sciences. He has a vast experience spanning over 28 years of working in the public, private, and NGO sectors.

He has been associated with the Beaconhouse Group for more than 15 years, in various capacities including Regional Director (Central Region and South East Asia) and Project Director for The Educators.

Mr. Ali Raza also had the honour of serving the Prime Minister of Pakistan as the advisor on the Education Reform Programme in 2016 to 2018. With his hands-on skills and first-hand experience in the development sector, Mr. Ali Raza is determined to set new opportunities and horizons for the youth of Pakistan.

**PROFESSOR
DR. TAHIR ABBAS**
Dean Academics

Dr. Tahir Abbas holds a PhD in Physics from Moscow University. During his stay in Russia, he learnt Russian and thoroughly studied the education system of Russia. He is a seasoned professional, commanding an excellent expertise across the domains of academics, research, and administration. He served as a Physics Professor at the University of Punjab, Bahauddin Zakriya University, and the University of Siegen. During his academic career he has collaborated with various universities in Pakistan, Germany, Russia, and more. He has conducted pivotal research while working with the International Centre for Theoretical Physics in Italy, University of Bochum in Germany and Colorado State in the USA. He has been associated with the Beaconhouse Group as Dean of Academics for Concordia Colleges for over seven years. He is responsible for all academic and related activities across the vast network of Concordia Colleges. From appointment and training of teachers to managing classrooms and providing a platform for holistic development through extra-curricular activities, Dr. Tahir Abbas is an invaluable asset for Concordia Colleges.

WHAT SETS US APART

Students of Concordia Colleges acquire critical thinking, reasoning, and investigation skills, which sets them apart from students of other colleges that rely solely on rote-learning. Our syllabus and coursework are kept up-to-date with complete course content captured and recorded in **educational video lessons**. The very atmosphere that defines Concordia Colleges enhances **creativity, confidence, and self-discovery**. Concordia students will not only be able to make the right choices for their future careers, they will also be inspirational for others by contributing to society. Concordia's competitive advantage is difficult to replicate as it focuses on new concepts to promote fluency in visual, oral, and written communication amongst the students.

SOME ADDITIONAL FEATURES OF OUR EDUCATIONAL MODEL INCLUDE:

- ▶ **Centralised curricular and co-curricular activities** to give equal opportunities to all students at our campuses
- ▶ **Regular online quizzes** through our LMS to assess students in their courses and expose them to recent developments in technology
- ▶ **Comprehensive revision and test sessions** are arranged on a regular basis to ensure students do well in their respective board examinations without seeking additional help
- ▶ **Regular training sessions** for Concordia teachers and trainers so that they can efficiently monitor students' personality development and academic growth
- ▶ **Health and education insurance plans** to offer peace of mind to students and their families in case of any emergency situation

OUR STRENGTH

We are thrilled to announce that Concordia Colleges is expanding its reach across Pakistan, with campuses confirmed in Karachi, Quetta, Charsadda, DI Khan, Margalla, Peshawar, Dhamial, Swabi, Kallar Seydan, Mardan, Swat, and many other locations. With this expansion, Concordia Colleges will become the first college network to operate in all four provinces of Pakistan.

We are proud to be opening multiple new campuses, bringing our interconnected system to over 60 campuses in more than 35 cities by the end of 2023. This expansion will allow us to provide even more students across Pakistan with access to high-quality education and prepare them for success in their chosen fields. At Concordia Colleges, we are committed to providing our students with the best possible education and creating opportunities for them to thrive in today's ever-changing world.

16.

ACADEMIC PROGRAMMES

At Concordia Colleges, we believe that education is the key to unlocking limitless potential. That is why we offer a broad range of academic programmes in the arts, social sciences, and sciences, designed to inspire intellectual curiosity, critical thinking, and a passion for lifelong learning.

We are proud to be affiliated with prestigious universities across Pakistan, providing our students with access to the latest research, cutting-edge technology, and renowned faculty. These partnerships also enable us to offer a wide range of academic and professional opportunities to our students, empowering them to achieve their goals and make a positive impact in their communities.

Our Intermediate Programmes Include:

- ▶ Pre-Medical (F.Sc): designed for students who wish to pursue a career in medicine or related fields.
- ▶ Pre-Engineering (F.Sc): designed for students who wish to pursue a career in engineering or related fields.
- ▶ Computer Sciences (ICS): designed for students who wish to pursue a career in computer sciences or related fields.
- ▶ Humanities (F.A): designed for students who wish to explore the arts and social sciences.
- ▶ Commerce (I.Com): designed for students who wish to pursue a career in business or related fields.
- ▶ General Science: designed for students who wish to explore a wide range of scientific subjects.

No matter which programme you choose, you can be confident that you will receive a quality education from experienced faculty members who are committed to helping you succeed.

Our Undergraduate Programmes Include:

Associate Degree Programmes (ADP)

- ▶ **Associate Degree in Arts:** a two-year programme that offers a broad range of courses in humanities, social sciences, and languages, providing students with a solid foundation for further studies or entry-level jobs.
- ▶ **Associate Degree in Science:** a two-year programme that focuses on core courses in sciences, preparing students for transfer to a four-year bachelor's degree programme in a related field.
- ▶ **Associate Degree in Commerce:** a two-year programme that introduces students to the fundamentals of business, including accounting, finance, marketing, and management, preparing them for entry-level positions in the business world.

20.

BACHELOR OF SCIENCES (BS)

Our ADP and BS programmes are designed to provide students with a comprehensive understanding of their respective fields of study and equip them with the skills and knowledge necessary to excel in their careers. Whether students are interested in pursuing research, teaching, or industry.

- ▶ **BS (Hons) Chemistry:** a four-year programme that covers the fundamentals of Chemistry, including organic, inorganic, analytical, and physical chemistry, preparing students for careers in research, industry, or further studies in related fields.
- ▶ **BS (Hons) Zoology:** a four-year programme that focuses on the study of animals and their behaviour, preparing students for careers in research, conservation, or further studies in related fields.
- ▶ **BS (Hons) Botany:** a four-year programme that covers the study of plants, including their physiology, taxonomy, and ecology, preparing students for careers in research, conservation, or further studies in related fields.
- ▶ **BS (Hons) Physics:** a four-year programme that covers the fundamentals of Physics, including mechanics, electromagnetism, thermodynamics, and quantum mechanics, preparing students for careers in research, industry, or further studies in related fields.
- ▶ **BS (Hons) Mathematics:** a four-year programme that covers the fundamentals of Mathematics, including algebra, calculus, analysis, and statistics, preparing students for careers in research, industry, or further studies in related fields.
- ▶ **BS (Hons) IT:** a four-year programme that covers the fundamentals of Information Technology, including programming, databases, networking, and web development, preparing students for careers in software development, systems analysis, or further studies in related fields.
- ▶ **BS (Hons) English:** a four-year programme that covers the study of English language and literature, including linguistics, literary analysis, and critical theory, preparing students for careers in teaching, writing, or further studies in related fields.
- ▶ **BS (Hons) Management:** a four-year programme that covers the fundamentals of business management, including accounting, finance, marketing, and human resources, preparing students for careers in management, entrepreneurship, or further studies in related fields.
- ▶ **BS (Hons) Accounting & Finance:** a four-year programme that covers the fundamentals of Accounting and Finance, including financial accounting, cost accounting, auditing, and financial management, preparing students for careers in Accounting, Finance, or further studies in related fields.

* For more details and availability of programmes, concerned campus may be contacted.

ADMISSION POLICY

Admission Procedure For Intermediate Programme:

Candidates who have appeared in Matriculation or O- Level examinations are eligible for admission in the first year. They will be allowed to register for pre-classes and admissions.

Admissions are strictly based on merit. A minimum of 45% marks (second division) in Matriculation examinations or its equivalence for the O-Level is required. The age requirement is 18 years or below. Admission dates are subject to declaration of board results for Matriculation Examinations and will be advertised in leading newspapers.

After the declaration of the SSC (Matric) result by the Board, the formal registration will require the following documents:

- ▶ Three passport size photographs with white backgrounds.
- ▶ Copy of student B-Form/CNIC.
- ▶ Copy of Father/Guardian CNIC
- ▶ Copy of SSC result cards issued by the B.I.S.E.
- ▶ Original NOC (Only for migrated students from Other Board)
- ▶ Original NOC (Only for migrated students from College to College)
- ▶ Attested copy of Equivalence Certificate issue by the IBCC (Only for O-Level students)
- ▶ Only O-Level students result issue in 2nd Cambridge examination December/January is not eligible for the regular admission

Admission procedure for Undergraduate Degree Programme:

Candidates who have appeared in Intermediate or A-Level examinations are eligible for Undergraduate Degree Programme admission.

Admissions are strictly based on merit. A minimum of 45% marks (second division) in Matriculation/ Intermediate examinations or its equivalence for the O/A-Level is required. The age requirement is 20 years or below. Admission dates are subject to declaration of board results for Intermediate/A-Level examinations and will be advertised in leading newspapers.

After the declaration of the HSSC (Intermediate) result by the Board, the formal registration will require the following documents:

- ▶ Three passport size photographs with white backgrounds.
- ▶ Copy of student B-Form/CNIC.
- ▶ Copy of Father/Guardian CNIC
- ▶ Copy of SSC result cards issued by the B.I.S.E.
- ▶ Copy of HSSC result cards issued by the B.I.S.E.
- ▶ Attested copy of Equivalence Certificate issue by the IBCC (Only for A-Level students)
- ▶ Three copy of Domicile (Only for G.C.U.F)
- ▶ The candidate holding 3rd division in HSSC is not eligible for the admission.
- ▶ The candidates holding F.A/F.Sc or equivalent qualification with at least 2nd division and age not more than 24 years are eligible for admission in ADA/ADS/ADC/BS or equivalent programs.

Scholarship Procedure

In recognition of students' talent and performance, and to support outstanding scholars, Concordia Colleges offers a range of scholarships to our students:

- ▶ Incentives for high achievers in first year and second year
- ▶ Merit and need-based scholarships
- ▶ Kinship scholarships
- ▶ 50% Scholarship for Beaconhouse and The Educators students

OUR ACADEMIC EXCELLENCE

At Concordia Colleges, we are dedicated to academic excellence and have consistently achieved outstanding board results over the years. Our success is due to the innovative and supportive learning environment we provide, which includes a range of learning resources such as our Learning Management System (LMS), Blended Learning Approach, video lectures, online assessments, and well-trained teachers. These resources are designed to enhance students' learning experiences and ensure they achieve high-quality results.

We also recognise and celebrate the exceptional achievements of our students with various awards, medals, certificates, and distinctions. This is a testament to our commitment to academic excellence and providing a supportive environment that enables students to excel.

24.

ASSESSMENT & EXAMINATION

Concordia Colleges has a well-designed assessment and examination system that is executed by experienced and dedicated subject specialists. Our team provides expert support to ensure students are prepared to achieve the highest marks in board examinations.

Our assessments provide a comprehensive overview of students' understanding and knowledge, in addition to preparing them for board exams. We monitor student performance closely and offer customised academic support based on areas identified for improvement.

Our testing system includes monthly tests, send-up exams, and extensive revision and testing sessions, ensuring thorough preparation and accurate evaluation.

TEACHING AND LEARNING METHODOLOGY

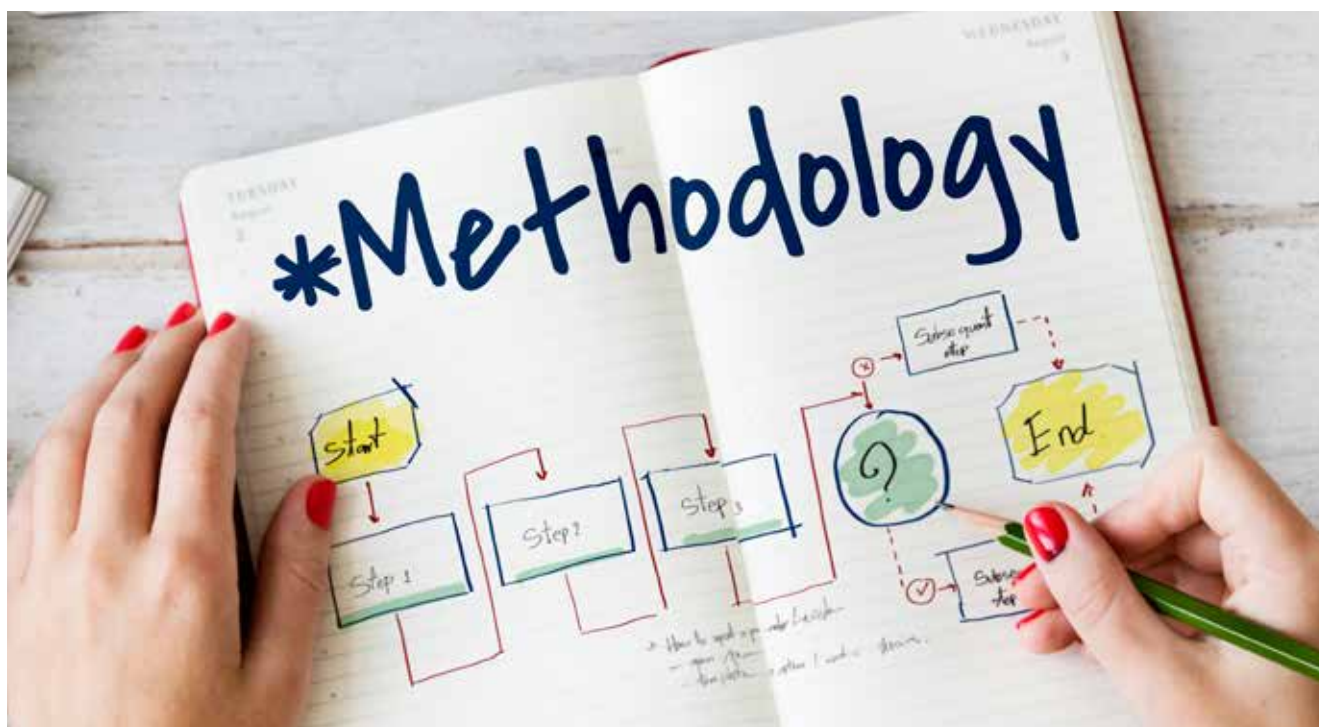

At Concordia Colleges, we understand that each student has unique learning needs and preferences. That is why we have designed our teaching and learning methodology to be flexible and dynamic, providing a comprehensive learning experience for every student. Our approach is based on the latest educational research and best practices, ensuring that our students receive a world-class education.

Blended Learning Approach:

Our teaching and learning methodology is grounded in the Blended Learning Approach, which combines traditional face-to-face instruction with computer-based activities and multimedia-rich content. This approach allows students to engage with course materials in a way that suits their individual learning styles, at a pace that works for them. Students have access to module-related documents in electronic format, including lesson videos, which they can review at any time, 24/7.

We believe that Blended Learning is an essential component of a comprehensive education.
Some of the key features of our approach include:

- Full access to module-related materials, including lesson videos, in electronic format
- Highly interactive and engaging classroom sessions
- Opportunities for collaborative learning in groups
- Regular formative assessment with constructive feedback
- Personal development planning to help students reach their academic and personal goals.

LEARNING MANAGEMENT SYSTEM

Concordia Colleges takes great pride in its Learning Management System (LMS), which has become the hallmark of our educational approach. With a vast array of resources and cutting-edge features, our LMS provides students with an exceptional learning experience.

At Concordia Colleges, we understand that students learn in different ways and at different paces. That is why our LMS is designed to accommodate every student's unique learning style. Our comprehensive lesson videos and course content are available to students at all times, allowing them to learn at their own pace and revisit topics as needed.

Moreover, our online quizzes and interactive exercises provide students with a challenging and engaging learning environment that extends beyond the traditional classroom. These activities encourage students to think critically and creatively, broadening their horizons and enhancing their intellectual curiosity.

At Concordia Colleges, we value student feedback and believe that it is critical for continuous improvement. Our LMS allows students to communicate and share their ideas and thoughts with ease, fostering a collaborative and supportive learning community. With a standardised educational model across all our campuses, Concordia Colleges provides an unparalleled educational experience that prepares students for success in today's ever-changing world.

Videos:

As part of our Blended Learning Approach, topic-wise videos for all subjects are available, enabling students to revise at home and improve their overall preparation.

Notes:

The LMS provides students with digital access to course notes, making it easier for them to study and revise. The notes are available online and students can download and print them as required.

Question Paper Generator (QPG):

The QPG is an innovative feature of the LMS that enables students to generate customised question papers based on their course, subject, and topic preferences. This tool is particularly useful for revision purposes and for preparing for assessments and exams.

Quizzes:

The LMS features online quizzes that provide students with an opportunity to test their knowledge and understanding of a particular topic. These quizzes are interactive and provide immediate feedback to students.

Calendars:

The LMS includes an academic calendar that provides a clear overview of their course schedule. This feature is particularly useful for students who are juggling multiple courses or who need to manage their time effectively.

TEACHER TRAINING PROGRAMME

Concordia Colleges strongly believes that teachers are an invaluable and integral part of the education system. A great teacher is crucial to a student's development and growth. Concordia Colleges conducts frequent training sessions to promote effective teaching skills, masterful knowledge, improved language proficiency, and more. All with the aim to improve the quality of learning for students.

Upgrading capabilities and knowledge of the teachers is required to improve the standard of education in any institution. Concordia Colleges arranges training sessions for teachers by the Academic Department at the Head Office, where trainers are from well-reputed institutions like Government College and the Punjab University.

The training consists of general teaching methodologies, subject-specific training, board paper setting, and paper marking techniques. This enables our teachers to perform well in the classroom and students to prepare for the board examinations.

SPECIALISED SUPPORT FOR STUDENTS

Concordia Colleges is dedicated to providing comprehensive support to its students, both academically and professionally. We believe that each student is unique, and we strive to cater to their individual needs to help them achieve their goals.

For students who are excelling in their studies, Concordia Colleges offers **specialised training sessions, mock tests, and paper presentations** to provide them with a competitive edge. These sessions are conducted by subject specialists and renowned professionals in their respective fields, ensuring that our students receive the most up-to-date information and training available.

For students who are struggling, Concordia Colleges provides personalised support through **academic counselling, remedial classes, and one-on-one sessions** with teachers. We believe that every student deserves the opportunity to succeed, and we are committed to helping them overcome any obstacles they may face.

In addition to academic support, Concordia Colleges also offers career counselling workshops to help students plan their future. We provide guidance on **higher education opportunities, career paths, and job prospects**, as well as **assistance with resumes, cover letters, and interview preparation**. Our aim is to ensure that each student is fully prepared for their next step, whether it be higher education or entering the workforce.

Overall, Concordia Colleges is committed to providing a supportive and enriching environment for all of our students. We believe that by offering a comprehensive range of academic and career-related services, we can help each student achieve their full potential and succeed in their chosen path.

34.

NATIONAL GATEWAY PROGRAMME

At Concordia Colleges, we aim to maximise the potential and expand the horizons of each individual student. Many students struggle with obstacles such as failing to find a fulfilling yet effective career path, or adjusting to professional life after graduation.

The National Gateway Programme provides our students with exposure and access to the corporate world through motivational talks by leaders of different fields, student tours of different corporate offices/ locations, and internship opportunities.

INSPIRATIONAL TALK SERIES

Enhancing student awareness regarding career paths, we see this platform as a stepping stone towards confidence building and soft skills development for students. Hearing from seasoned professionals from the public and corporate sector will guide them towards success.

INDUSTRY-ACADEMIA LINKAGES

Helping students develop skills, apply and adopt knowledge, and build entrepreneurial awareness, this initiative enables students to visit different offices/locations and acquire skills directly from industry experts.

PRESTIGIOUS INTERNSHIP OPPORTUNITIES

Equipping students with relevant skills and experience, these internship opportunities enable students to successfully transform into competent professionals. By experiencing the professional life at NGOs in particular, students are instilled with empathy and other values.

STATE OF THE ART FACILITIES

Concordia Colleges is dedicated to providing students with state-of-the-art facilities that support their academic journey. Our campuses are equipped with air-conditioned and well-maintained classrooms that promote a collaborative learning environment. The classrooms are equipped with modern tools such as overhead projectors and LEDs that facilitate audio-visual learning. In addition, our computer labs are equipped with high-speed internet connectivity, enabling students to access digital resources and conduct online research with ease.

At Concordia Colleges, we believe that practical application is a critical component of learning. To this end, our science labs are designed to integrate teaching and practical application, providing students with hands-on experience to maximise their potential. Moreover, our Learning Management System (LMS) offers students access to a range of learning resources, including notes, quizzes, and calendars that support their academic growth.

Overall, Concordia Colleges is committed to providing students with an environment that fosters academic excellence and equips them with the skills and knowledge necessary to succeed in their future endeavours.

PARENTS ON BOARD

At Concordia Colleges, we believe that parents play a vital role in the education and development of their children. We understand the importance of keeping parents informed about their **child's academic progress** and **performance**. With our 'Parents on Board' Programme, we keep all channels of communication open to ensure that parents are involved in their child's learning journey.

As part of this programme, we organise parent-teacher meetings after monthly tests where parents are given the opportunity to meet with their child's teachers and discuss their child's academic progress. These meetings have proven to be invaluable in keeping parents updated about their **child's performance** and identifying areas where their child may need **additional support**.

We also share the results of these assessments with parents so that they can monitor their child's progress. This **collaborative approach** between parents, teachers, and students has proved to be very useful in promoting **academic success** and helping students achieve their **full potential**.

We believe that the involvement of parents in their child's education is crucial for their success. By keeping parents **informed** and **involved**, we ensure that our students receive the necessary **support** and **guidance** to achieve their academic goals.

42.

HIGH ACHIEVERS' CEREMONY

Concordia Colleges acknowledges and celebrates the achievements of its students. To honour the hard work and dedication of our high achievers, we organise annual ceremonies where they are publicly recognised and awarded for their outstanding academic performance.

These ceremonies serve as a testament to our commitment to providing quality education and fostering a culture of excellence among our students. The ceremonies are also attended by faculty members, parents, and peers, who join in celebrating the achievements of our students.

We believe that such ceremonies not only encourage students to strive for academic excellence but also motivate them to pursue their passions and achieve their goals.

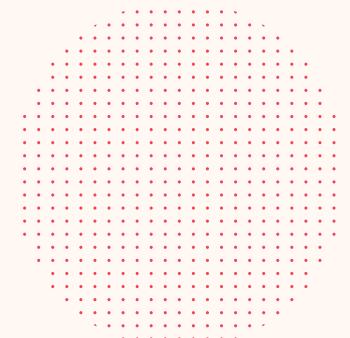

DEBATES COMPETITION

Concordia Colleges regularly organises Regional Debates Competitions where students participate from more than 30 cities! The best speakers of the competition are celebrated for their exceptional debating ability and represent their campuses on a national-level.

The best debaters from the Regional Competition compete in a battle of words during the national final as they confidently and respectfully engage in thoughtful debate.

CO-CURRICULAR ACTIVITIES

DRAMATICS

This society influences and encourages students from all walks of life, who come together to promote theatre and art. The purpose of this activity is to provide individuals with a platform to express themselves, pursue new theatrical endeavours, experience innovative opportunities, and give back to society in the form of art.

FOUNDING FATHERS' DAY

To nurture an enduring spirit of nationalism, patriotism, and devotion to the nation, Concordia Colleges always commemorates the country's founding fathers. We especially celebrate Pakistan Day, Independence Day, Quaid-e-Azam Day, and Iqbal Day.

ANF – ‘SAY NO TO DRUGS’ AWARENESS PROGRAMME 2022

At Concordia Colleges, we believe that college age is very important in terms of understanding the impact drugs can have on one's life. It was with this objective that a Drug Awareness Programme was successfully organised in collaboration with Anti Narcotics Force (ANF).

Students visited the Regional Office ANF Lahore to learn about the impacts of drug abuse first-hand. After which, an awareness seminar conducted by Force Commander Brig. Muhammad Rashid Minhas encouraged and motivated students to help create a drug free society.

WELCOME AND FAREWELL PARTY

Concordia Colleges follows traditions of welcoming new students and sending off graduating students every year in order to provide an encouraging environment.

Welcome and farewell parties are arranged for new and old students. These parties are arranged at prestigious venues such as the Pearl Continental Hotel and Flatties Hotel in Lahore.

Similar venues are selected across Islamabad, Kasur, Faisalabad, Gujranwala, and other cities. This event provides a platform and opportunity for students to meet faculty members, seniors, and officials from the Head Office. All the participants enjoy the event and dinner together.

50.

EDUCATIONAL AND INFORMATIVE TOURS

Concordia Colleges organises short and long trips for students. Visiting places of historical and geographical significance to help students broaden their world view. Students learn about the history of different civilisations, lifestyles of people, and atmospheres of different locations. They also learn the advantages of living together, as such, these recreational tours refresh students and prepare them for future success.

EMERGING TALENT CONTEST (ETC)

Concordia Colleges campuses across Pakistan regularly organise emerging talent contests throughout the year to help students prepare for examinations. In 2022, Concordia Colleges successfully organised an Emerging Talent Contest. Over 1,049 students participated in the event and competed against each other for the top place! In 2023, another Emerging Talent Contest was organised for over 1,500 students from across Pakistan!

BLOOD DONATION DRIVE

We as Muslims believe that the one who saves a single life, saves all of humanity. Students of Concordia Colleges have been trained to be responsible adults who can take charge of their lives and help others in society. Blood donation camps are set up across various campuses of Concordia Colleges. Every year students donate blood.

ENVIRONMENTAL PROTECTION CAMPAIGN

The environment plays a crucial role in healthy living and the existence of life on planet earth. The tree plantation campaign 'One Tree One Life' was initiated at the e-library of Gaddafi Stadium in Lahore. The purpose of this campaign was to help the government in the national cause of making Pakistan greener and cleaner for future generations.

OUTER SPACE EXPLORERS (SPACE EXPLORATION BY YUMNA)

Students of Concordia Colleges spent a wonderful time uncovering the mysteries of outer space thanks to the space-observation telescopes provided by Solar Exploration by Yumna. Our students were able to explore their interests and the vastness of space together as they gazed at the skies like never before!

54.

NATIONAL SPEECH COMPETITION

The Concordia Colleges Annual Speech Competition is a promising platform for young speakers to improve their speaking skills, build confidence, and be recognised at a national-level.

Concordia Colleges organised the National-Level Speech Competition 2023. After a series of rounds at the regional-level, the best-performing students from each region competed at the national-level. Students from across Pakistan delivered speeches and competed in the serious Urdu, humorous Urdu, serious English, and humorous English categories. The chief guest, Group Director Beaconhouse Group, Mr. Ali Raza, presented winners with shields and certificates.

Ms. Amna Nazir and Ms. Muzna Saqlain graced the event as judges for the English category, and Ms. Noor-us- Saba Baqir and Mr. Rafiq Riaz served as honourable judges for the Urdu category.

INTER-CAMPUS QIRAT & NAAT COMPETITION

Concordia Colleges organises inter-campus Qirat and Naat competitions to commemorate Islam, our culture, and the Holy Month of Ramzan. Students from across Pakistan are shortlisted from regional-level competitions and extended the invitation to participate in the final round of the competition.

SPORTS SOCIETY

Won 674 Medals In Punjab Olympic Sports

BISE GAMES

Our talented and hardworking students secured gold, silver, and bronze medals at the BISE Games Competition 2022. Boys participated and won in cycling, cross country, gymnastics, karate, athletics, table tennis, squash, wrestling, and weightlifting. Boys and girls were awarded the 'best athlete' award in addition to various gold, silver, and bronze medals in athletics and table tennis.

BISE GAMES COMPETITION 2022

Concordia Colleges won 9 positions in the following fields:

- ▶ **1st Positions:** cycling, cross country, athletics
- ▶ **2nd Position:** gymnastics
- ▶ **3rd Positions:** athletics, squash, wrestling, table tennis

CRICKET WITH CONCORDIA

At Concordia Colleges, we believe an educational experience is incomplete without extra-curricular activities. Our Annual Tape Ball Cricket Tournament is a small step on the journey of empowering our students through holistic development! The matches ignite the passion of students and encourage a healthy level of competition between teams.

MUSIC SOCIETY

The Music Society unites students on different types of music, including classical, folk, eastern, western, and modern. Different concerts and music competitions are regularly held at Concordia Colleges to encourage students to love music and potentially pursue it as a career.

CONCERTS

ATIF ASLAM

Concordia Colleges North Region organised a musical concert of famous singer Atif Aslam. Around 5,000 students from Concordia Colleges Islamabad, Rawalpindi, Nowshera, and Peshawar campuses attended and enjoyed the event.

RDB

Concordia Music Concert was held at Al-Hamra open-air theater, Lahore. The Bhangra King, RDB, entertained the audience with his hit songs Aloo Chaat, Sheira Di Kaum, and Paisa Paisa. Umar Imtiaz, Bilal Haider, and Yasra Haseeb also performed at the event.

EDWARD MAYA

Concordia Music Concert was held at Hills Garden, Faisalabad. The Romanian DJ and King of EDM, Edward Maya entertained the audience with his hit compositions like Stereo Love, This Is My Life, and Desert Rain. Other emerging artists Umar Imtiaz, Pukaar Band, Bilal Haider, and Yasra Haseeb were also part of the event.

GRADUATION CEREMONY 2023

Concordia Colleges organised an event for graduates to celebrate the outstanding dedication and efforts of all students at Pearl Continental Hotel, Lahore.

Chief Guest, Mr. Mian Imran Masood, Senior Parliamentarian, Member of PHEC, President of Pakistan Education Council and Former Minister of Education Punjab, and the Guest of Honour, Mrs. Amina Wattoo Kasuri, Project Director Concordia Colleges, appreciated and awarded degrees to graduating students.

Mrs. Amina Wattoo Kasuri expressed her heartfelt congratulations to the graduating students in her address. She said, "It brings me great joy to witness the culmination of your hard work and determination.

Today, as you receive your degrees, remember that this is just the beginning of a lifelong journey of learning and growth. Embrace every opportunity that comes your way and continue to strive for excellence. Congratulations once again, and I wish you all the success in your future endeavours."

Mr. Ali Raza, Group Director Beaconhouse Group, Mr. Ayyaz Ali Khan, Assistant Project Director Concordia Colleges, and Mr. Muhammad Ali Butt, Assistant Director Business Development and Sales The Educators, graced the ceremony with their honourable presence.

GRADUATION CEREMONY 2023

NATIONAL TALENT HUNT

Concordia Colleges annually organises the National Talent Hunt with the aim to help students prepare for board examinations. Mock papers of all compulsory subjects are attempted by students, familiarising them with best practices and techniques for scoring the maximum marks possible!

68.

EXPOSURE VISIT TO PCB NATIONAL HIGH PERFORMANCE CENTRE

As part of the National Gateway Programme (Industry-Academia Linkages), Concordia Colleges organised an exposure visit for students of Concordia College Walton Campus to the National High Performance Centre (NHPC) Museum in Lahore.

Students saw the collection of trophies, bats, balls, shirts, medals, photographs, and more souvenirs from memorable World Cup matches played by the Pakistan Cricket Team.

SPORTS FEST 2023

Concordia Colleges organised the first-ever Sports Fest, featuring 500+ students from across Pakistan competing in various sports including athletics, badminton, table tennis, javelin throw, shotput, swimming, archery, basketball, football, and cricket.

The event was graced by the presence of esteemed chief guests Mr. Ali Raza, Group Director Beaconhouse Group, Mr. Muhammad Ali Butt, Assistant Director Business Development and Sales The Educators, and Mr. Ayyaz Ali Khan, Assistant Project Director Concordia Colleges.

We recognise and appreciate the participants for their remarkable sportsmanship and congratulate the winners for their outstanding achievements. The Sports Fest 2023 marked a significant milestone in the pursuit of excellence in sports.

74.

CODE OF CONDUCT

For Enrolment, the College Administration Requires Students to Abide by College Rules and Regulations:

Students should uphold the honour and dignity of the College, as well as their self-respect. A breach of the code of conduct shall entail disciplinary action. Students are strictly advised to avoid matters that lead to the submission of fines such as misconduct, uninformed absence, non-payment of college dues, etc.

Students are required to wear their College uniform when they are on campus:

Boys' uniform - khaki trousers, white shirt, striped tie, black belt, black shoes, and socks.

Girls' uniform - khaki shirt with a white coat collar, white shalwar, striped dupatta, and black shoes.

Students must properly display their college identity cards. Failure to comply can lead to a fine, disciplinary action, and subsequent dismissal after the repeated offense.
