FOUNDER'S MESSAGE

I am proud of the role Beaconhouse has played in setting new benchmarks in education over a period of more than five decades. Today, the Beaconhouse Group has over 315,000 fulltime students in six countries, making it one of the largest school networks in the region. Over the years, our schools have helped students become critical thinkers and problem solvers, equipping them with confidence to stand out from the crowd.

Establishing Concordia Colleges in 2014 is a testament to our resilience and our strength as a world-class education institution. We feel privileged to have played a role in the provision of quality education in this country and, equally, to have made significant progress towards the establishment of an international education brand that has its origin in Pakistan. We believe that education is the right of every child. We have, therefore, tried to reach out as far as we could by imparting distinctive and meaningful learning to as wide a cross section of society as possible - most visibly demonstrated, perhaps, by The Educators, our network of affordable associate schools.

As we continue to grow and evolve, each day brings with it new challenges and opportunities. I am delighted, therefore, to introduce one of our newest educational ventures for those who seek to equip themselves to deal with the challenges of a rapidly modernising world. In this context, Concordia Colleges aims to offer worldclass

education, across the nation, which is both costeffective and standardised. The colleges are not only aiming at academic excellence but also nourishing intellectual and personal development across a range of extra and co-curricular domains.

Extracurricular activities are globally accepted as an added advantage for the grooming of students. They inculcate in students time management, team-building, and problem-solving skills. I am happy that Concordia students are very actively engaged in sports and extracurricular activities and have secured positions and medals in national level competitions.

In this knowledge-based age, education is undergoing rapid transformation. The emergence of increasingly affordable digital products such as smart phones, tablets, and e-readers are reshaping the way we think about teaching and learning. Concordia Colleges hopes to attract enterprising students and faculty who are prepared to lead a revolution in pedagogy and open up new windows of learning.

I invite you to join our community of learners and acquire the skills needed to stand proud and play a role in the future of Pakistan.

Nasreen Mahmud Kasuri

PROJECT DIRECTOR'S MESSAGE

Launched in 2014, Concordia Colleges has grown into a network that has spread in over 40 cities all across Pakistan. We are the first institution in Pakistan to offer blended learning by providing students with access to a variety of online resources to make learning an engaging and interactive experience. Concordia Colleges focuses on grooming our students to be good human beings while training them for successful professional lives through the teaching of both theoretical and practical aspects. Concordia Colleges, as a project of Beaconhouse, aspires to cater to future educational needs at a national level. Beaconhouse has been imparting quality education of an international standard for more than four and a half decades.

We believe our vast professional experience makes this franchise partnership a viable one in providing cost-effective education to prospective students. We look forward to embarking on this journey with you.

Amina Wattoo Kasuri

GROUP DIRECTOR'S MESSAGE

At Concordia Colleges, we are driven by a simple but powerful belief: every student deserves access to quality education that not only informs but transforms.

As a Project of Beaconhouse, Concordia Colleges is not just an extension of the Beaconhouse's vision, but a response to the urgent need for accessible, high-standard Intermediate and Undergraduate education across Pakistan.

Backed by the legacy of Beaconhouse, Concordia now operates 60+ campuses across 40 cities, nurturing future leaders who are academically strong, ethically grounded, and socially conscious.

Our Academic philosophy centres around conceptual clarity, innovative learning and real-world relevance. We regularly train and equip our faculty with advanced subject knowledge and teaching methodologies,

career counselling sessions, AI-based assessments and many more that keeps our classrooms future-ready.

Our commitment to the holistic development of our students empowers them to build 21st-century skills such as leadership, resilience, creativity, future readiness which are inculcated through our Flagship programme, National Gateway Programme (NGP) to a wide range of co- and extracurricular activities such as Qirat and Naat, Quiz and Speech Competitions, Sports Fest and many more. We believe that these student development initiatives set Concordia apart from its competitors.

I welcome you to explore what makes Concordia distinct – a place where excellence is a culture and learning is designed not just to inform, but to inspire.

Ali Raza

BEACONHOUSE

GROUP PROFILE

One of the leading institutions of the country providing quality education of international standards from pre-nursery to A-level through more than 190 campuses across Pakistan.

Beaconhouse traces its history to Les Angles Montessori Academy (LMA) which began operations in Lahore in 1975 with a group of 19 toddlers. The educational philosophy of LMA is based on self-directed activity, hands-on learning, and collaborative play.

The first franchise school in the world, imparting a standardised quality of education to over 225,000+ students, through more than 1,000 campuses in over 275+ cities across the nation, with tuition fees a fraction of that at Beaconhouse.

Premier DLC provides educational services ranging from professional development, curriculum development, school operations, community mobilisation, assessment and evaluations, marketing campaign and survey, online courses, international educational programmes, and data analytics.

WHAT IS CONCORDIA?

Concordia is the point of convergence between the Baltoro and Godwin-Austen glaciers deep within the Karakoram Mountain Range. 18 peaks with an elevation exceeding 5,000 metres are visible from the summit of Concordia, providing an awe-inspiring view of the breathtakingly beautiful landscape. Daring climbers often encounter Concordia on their journey as it serves as a base camp for perilous mountains like K-2, Broad Peak, and Gasherbrum.

As such, Concordia serves as a crucial stepping stone for those prepared to embrace the unknown. The same spirit holds true for Concordia Colleges and the educational careers our students experience. We not only equip students with the necessary tools for gaining admission into the most prestigious institutions for engineering, medicine, and more, both locally and abroad, we also individually nurture each student to maximise their potential as they continuously expand their horizons.

VISION

To provide a nurturing academic environment where students are transformed into creative, confident, and socially responsible adults who are ready to take on life challenges.

Concordia Colleges, under the umbrella of the Beaconhouse Group, offers quality education that is comprehensive, and inclusive of our core values and aims to build a high performance environment with prime focus on innovative, life, and problem solving skills.

MISSION

The core values of Concordia Colleges help foster connection and trust between students and teachers. These values will serve as guiding principles:

INTEGRITY

Integrity is a core value at Concordia Colleges. We prioritise ethical standards in all academic work and emphasise honesty, fairness, trust, and responsibility. We believe that integrity is essential to building a strong academic community, and we encourage our students to uphold these values throughout their academic and professional lives.

CREATIVITY

At Concordia Colleges, creativity is at the heart of what we do. We take pride in our innovative and transformative approach to exploring new ideas and solving complex problems. Our students are equipped with strong analytical skills, which enable them to collect and analyse information with precision. We emphasise the importance of problem-solving and decision-making, empowering our students to detect patterns, brainstorm solutions, and interpret data. We encourage and value rational thinking and scientific research procedures, and appreciate the power of logic and reason to drive progress and innovation.

SOCIAL RESPONSIBILITY

Concordia Colleges believes that social responsibility is a natural outcome of active learning strategies. By empowering students with knowledge, skills, and confidence, we encourage them to take responsibility for their lives and communities. Through community service and outreach programmes, we inspire our students to become responsible and engaged citizens who make a positive difference in the world.

DIVERSITY

Concordia Colleges values diversity and believes that our differences are a source of strength. We prioritise inclusion and strive to create a welcoming environment where all students feel respected, supported, and valued. By embracing diversity, we encourage students to bring their unique talents and passions to our dynamic and intellectually stimulating community.

EMPATHY

At Concordia Colleges, empathy is central to everything we do. We create open communication and provide opportunities for students to challenge their biases through team-building and self-awareness. For students who learn and think differently, understanding each other's perspectives is crucial. By fostering empathy, we aim to create a supportive and inclusive community where all students feel valued.

OUR CORE

WHAT SETS US APART

Students of Concordia Colleges acquire critical thinking, reasoning, and investigation skills which sets them apart from students of other colleges that rely solely on rote-learning. Our syllabus and coursework are kept up-to-date with complete course content captured and recorded in educational video lessons. The very atmosphere that defines Concordia Colleges enhances creativity, confidence, and self-discovery. Concordia students will not only be able to make the right choices for their future careers, they will also be inspirational for others by contributing to society. Concordia's competitive advantage is difficult to replicate as it focuses on new concepts to promote fluency in visual, oral and written communication amongst the students.

KEY FEATURES OF OUR EDUCATIONAL MODEL:

Equal Opportunities Through Centralized Activities: We organise centralized curricular and co-curricular programs across all campuses to ensure every student has access to the same enriching opportunities.

Technology-Integrated Assessment: Regular online quizzes are conducted via our Learning Management System (LMS) to assess academic progress and keep students up to date with the latest technological trends.

Board Exam Readiness: Structured revision plans and frequent test sessions help students prepare thoroughly for board examinations—eliminating the need for outside tutoring.

Continuous Teacher Development: Concordia educators receive ongoing professional training, equipping them to effectively guide both the academic and personal growth of each student.

Student Well-being Support: We provide health and education insurance coverage, ensuring peace of mind for students and their families in the event of unforeseen circumstances.

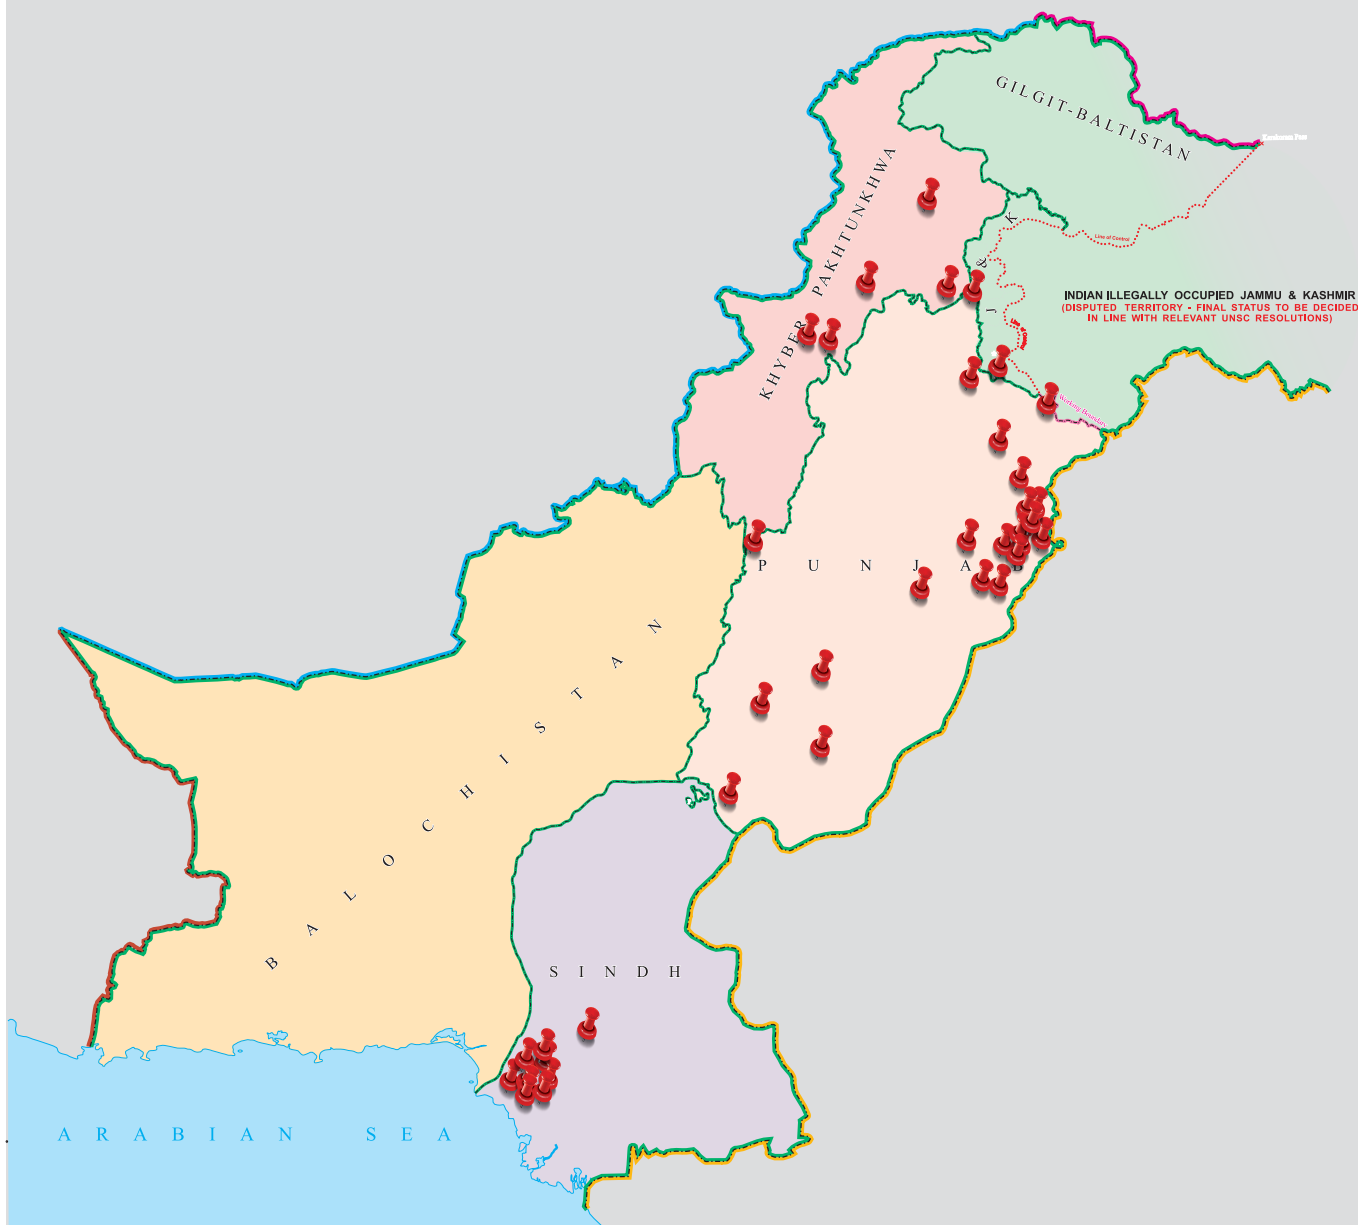

CONCORDIA COLLEGES EXPANDS NATIONWIDE

EMPOWERING STUDENTS ACROSS PAKISTAN

We are excited to share that Concordia Colleges is entering a new era of growth and impact, with our network rapidly expanding across the country. New campuses have been confirmed in Gojra, Manga Mandi, Pakpattan, Kahna, Mandi Usmanwala, Kanganpur, Chowk Azam (Layyah), Sadiqabad and several other strategic locations.

This expansion marks a significant milestone in our journey—extending Concordia’s presence to over 60 campuses in more than 45 cities by the end of 2026. Each new campus brings our standardized, interconnected academic system closer to students who seek quality education in their own communities.

With every new campus, we reinforce our mission: to equip students across Pakistan with the knowledge, skills, and confidence needed to excel in an increasingly dynamic and competitive world. Our commitment remains unwavering—to offer world-class education, innovative learning environments, and holistic student development regardless of geographical location.

ACADEMIC

PROGRAMMES

At Concordia Colleges, we believe that education is the key to unlocking limitless potential. That is why we offer a broad range of academic programmes in the arts, social sciences, and sciences designed to inspire intellectual curiosity, critical thinking, and a passion for lifelong learning.

We are proud to be affiliated with prestigious universities across Pakistan, providing our students with access to the latest research, cutting-edge technology, and renowned faculty. These partnerships also enable us to offer a wide range of academic and professional opportunities to our students, empowering them to achieve their goals and make a positive impact in their communities.

OUR INTERMEDIATE PROGRAMMES INCLUDE:

- **Pre-Medical (F.Sc):** designed for students who wish to pursue a career in medicine or related fields.
- **Pre-Engineering (F.Sc):** designed for students who wish to pursue a career in engineering or related fields.
- **Computer Sciences (ICS):** designed for students who wish to pursue a career in computer sciences or related fields.
- **Humanities (F.A & F.A(IT)):** designed for students who wish to explore the arts, social sciences and IT.
- **Commerce (I.Com):** designed for students who wish to pursue a career in business or related fields.
- **General Science:** designed for students who wish to explore a wide range of scientific subjects.

OUR UNDERGRADUATE PROGRAMMES INCLUDE:

ASSOCIATE DEGREE PROGRAMMES (ADP)

- **Associate Degree in Arts:** a two-year programme that offers a broad range of courses in humanities, social sciences, and languages, providing students with a solid foundation for further studies or entry-level jobs.
- **Associate Degree in Science:** a two-year programme that focuses on core courses in sciences, preparing students for transfer to a four-year bachelor's degree programme in a related field.
- **Associate Degree in Commerce:** a two-year programme that introduces students to the fundamentals of business, including accounting, finance, marketing, and management, preparing them for entry-level positions in the business world.

BACHELOR OF SCIENCES (BS)

Our ADP and BS programmes are designed to provide students with a comprehensive understanding of their respective fields of study and equip them with the skills and knowledge necessary to excel in their careers. Whether students are interested in pursuing research, teaching, or industry.

- **BS (Hons) Chemistry:** a four-year programme that covers the fundamentals of Chemistry, including organic, inorganic, analytical, and physical chemistry, preparing students for careers in research, industry, or further studies in related fields.
- **BS (Hons) Zoology:** a four-year programme that focuses on the study of animals and their behaviour, preparing students for careers in research, conservation, or further studies in related fields.
- **BS (Hons) Botany:** a four-year programme that covers the study of plants including their physiology, taxonomy, and ecology, preparing students for careers in research, conservation, or further studies in related fields.
- **BS (Hons) Physics:** a four-year programme that covers the fundamentals of Physics, including mechanics, electromagnetism, thermodynamics, and quantum mechanics, preparing students for careers in research, industry, or further studies in related fields.
- **BS (Hons) Mathematics:** a four-year programme that covers the fundamentals of Mathematics, including algebra, calculus, analysis, and statistics, preparing students for careers in research, industry, or further studies in related fields.
- **BS (Hons) IT:** a four-year programme that covers the fundamentals of Information Technology, including programming, databases, networking, and web development, preparing students for careers in software development, systems analysis, or further studies in related fields.
- **BS (Hons) English:** a four-year programme that covers the study of English language and literature, including linguistics, literary analysis, and critical theory, preparing students for careers in teaching, writing, or further studies in related fields.
- **BS (Hons) Management:** a four-year programme that covers the fundamentals of business management, including accounting, finance, marketing, and human resources, preparing students for careers in management, entrepreneurship, or further studies in related fields.
- **BS (Hons) Accounting & Finance:** a four-year programme that covers the fundamentals of Accounting and Finance, including financial accounting, cost accounting, auditing, and financial management, preparing students for careers in Accounting, Finance, or further studies in related fields.

* For more details and availability of programmes, concerned campus may be contacted.

ADMISSION POLICY

Admissions are strictly based on merit. A minimum of 45% marks (second division) in Matriculation examinations or its equivalence for the O-Level is required. The age requirement is 18 years or below. Admission dates are subject to declaration of board results for Matriculation Examinations and will be advertised in leading newspapers.

After the declaration of the SSC (Matric) result by the Board, the formal registration will require the following documents:

- Three passport size photographs with white backgrounds.
- Copy of student B-Form/CNIC.
- Copy of Father/Guardian CNIC.
- Copy of SSC result cards issued by the B.I.S.E..
- Original NOC (Only for migrated students from Other Board).
- Original NOC (Only for migrated students from College to College).
- Attested copy of Equivalence Certificate issue by the IBCC (Only for O-Level students).
- Only O-Level students result issue in 2nd Cambridge examination.
- December/January is not eligible for the regular admission.

Admission procedure for Undergraduate Degree Programme:

Candidates who have appeared in Intermediate or A-Level examinations are eligible for Undergraduate Degree Programme admission. Admissions are strictly based on merit. A minimum of 45% marks (second division) in Matriculation/ Intermediate examinations or its equivalence for the O/A-Level is required. The age requirement is 20 years or below. Admission dates are subject to declaration of board results for Intermediate/A-Level examinations and will be advertised in leading newspapers.

After the declaration of the HSSC (Intermediate) result by the Board, the formal registration will require the following documents:

- Three passport size photographs with white backgrounds.
- Copy of student B-Form/CNIC.
- Copy of Father/Guardian CNIC.
- Copy of SSC result cards issued by the B.I.S.E..
- Copy of HSSC result cards issued by the B.I.S.E..
- Attested copy of Equivalence Certificate issue by the IBCC (Only for A-Level students).
- Three copy of Domicile (Only for G.C.U.F).
- The candidate holding 3rd division in HSSC is not eligible for the admission.
- The candidates holding F.A/F.Sc or equivalent qualification with at least 2nd division and age not more than 24 years are eligible for admission in ADA/ADS/ADC/BS or equivalent programs.

Scholarship Procedure

In recognition of students' talent and performance, and to support outstanding scholars, Concordia Colleges offers a range of scholarships to our students:

- Incentives for high achievers in first year and second year.
- Merit and need-based scholarships.
- Kinship scholarships.
- 50% Scholarship for Beaconhouse and The Educators students.

CELEBRATING ACADEMIC DISTINCTION:

Concordia Colleges Excels in Board Examinations 2024

Concordia Colleges proudly upholds its enduring legacy of academic excellence, once again by demonstrating remarkable outcomes across all campuses nationwide. In the Intermediate Board Examinations 2024, over 200 students from Concordia Colleges secured top positions across the Punjab, Karachi, KPK, and Federal Boards—a testament to the institution's visionary academic framework and unwavering dedication to educational distinction. Among the most notable achievements:

- Hafiza Maheen Fatima, from Concordia Bahawalpur Campus, achieved the Overall Top Position in BISE Bahawalpur with an exceptional score of 1156 out of 1200.

1ST POSITION

OVERALL BOARD TOPPER

1156/1200

**HAFIZA MAHEEN FATIMA

**FEDERAL BOARD OF
INTERMEDIATE & SECONDARY EDUCATION**

- Hooria Mubashar Dar, representing the DHA Islamabad Campus, secured the 1st Position in the ICS Group in the Federal Board (FBISE), with an impressive 1036 marks.

These exemplary accomplishments reflect the efficacy of Concordia Colleges' strategically designed curriculum, which adapts to the dynamic academic landscape through an innovative blend of traditional and digital methodologies. Our comprehensive academic model—anchored by a state-of-the-art Learning Management System (LMS), Blended Learning strategies, recorded lectures, continuous online assessments, and a faculty of distinguished educators—ensures optimized student engagement and elevated learning outcomes. To honor these high achievers and foster a culture of intellectual ambition, Concordia Colleges celebrates academic excellence through awards, medals, and distinctions—affirming our steadfast commitment to nurturing the leaders of tomorrow.

TEACHING AND LEARNING METHODOLOGY

At Concordia Colleges, we understand that each student has unique learning needs and preferences. That is why we have designed our teaching and learning methodology to be flexible and dynamic, providing a comprehensive learning experience for every student. Our approach is based on the latest educational research and best practices, ensuring that our students receive a world-class education.

Blended Learning Approach:

Our teaching and learning methodology is grounded in the Blended Learning Approach, which combines traditional face-to-face instruction with computer-based activities and multimedia-rich content. This approach allows students to engage with course materials in a way that suits their individual learning styles, at a pace that works for them. Students have access to module-related documents in electronic format, including lesson videos, which they can review at any time, 24/7.

We believe that Blended Learning is an essential component of a comprehensive education. Some of the key features of our approach include:

- Full access to module-related materials, including lesson videos, in electronic format.
- Highly interactive and engaging classroom sessions.
- Opportunities for collaborative learning in groups.
- Regular formative assessment with constructive feedback.
- Personal development planning to help students reach their academic and personal goals.

LEARNING MANAGEMENT SYSTEM

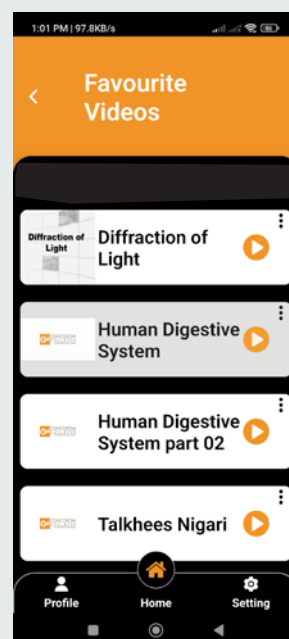

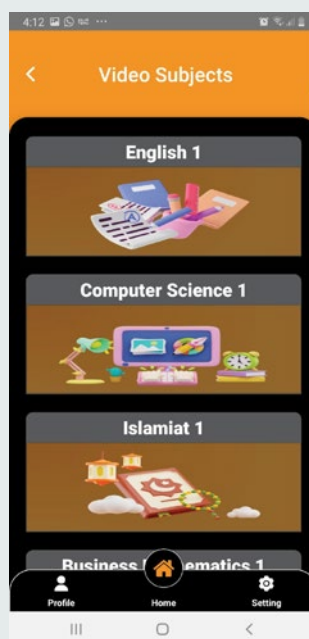

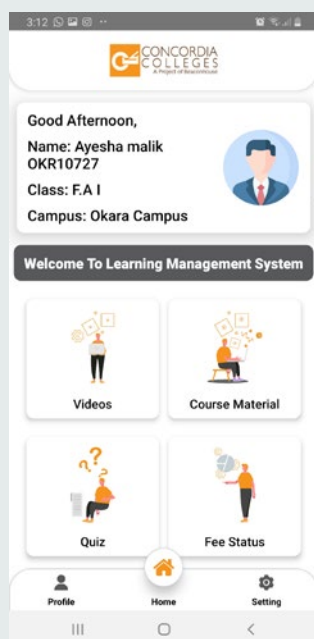

Concordia Colleges takes great pride in its Learning Management System (LMS) that has become the hallmark of our educational approach. With a vast array of resources and cutting-edge features, our LMS provides students with an exceptional learning experience.

At Concordia Colleges, we understand that students learn in different ways and at different paces. That is why our LMS is designed to accommodate every student's unique learning style. Our comprehensive lesson videos and course content are available to students at all times, allowing them to learn at their own pace and revisit topics as needed.

Moreover, our online quizzes and interactive exercises provide students with a challenging and engaging learning environment that extends beyond the traditional classroom. These activities encourage students to think critically and creatively, broadening their horizons and enhancing their intellectual curiosity.

At Concordia Colleges, we value student feedback and believe that it is critical for continuous improvement. Our LMS allows students to communicate and share their ideas and thoughts with ease, fostering a collaborative and supportive learning community. With a standardised educational model across all our campuses, Concordia Colleges provides an unparalleled educational experience that prepares students for success in today's ever-changing world.

Concordia Student LMS App:

Videos: As part of our Blended Learning Approach, topic-wise videos for all subjects are available, enabling students to revise at home and improve their overall preparation.

Notes: The LMS provides students with digital access to course notes, making it easier for them to study and revise. The notes are available online and students can download and print them as required.

Question Paper Generator (QPG): The QPG is an innovative feature of the LMS that enables students to generate customised question papers based on their course, subject, and topic preferences. This tool is particularly useful for revision purposes and for preparing for assessments and exams.

Quizzes: The LMS features online quizzes that provide students with an opportunity to test their knowledge and understanding of a particular topic. These quizzes are interactive and provide immediate feedback to students.

Calendars: The LMS includes an academic calendar that provides a clear overview of their course schedule. This feature is particularly useful for students who are juggling multiple courses or who need to manage their time effectively.

NATIONAL GATEWAY PROGRAMME

At Concordia Colleges, we aim to maximise the potential and expand the horizons of each individual student. Many students struggle with obstacles such as failing to find a fulfilling yet effective career path or adjusting to professional life after graduation.

The National Gateway Programme provides our students with exposure and access to the corporate world through motivational talks by leaders of different fields, student tours of different corporate offices/ locations, and internship opportunities.

Visit to Leatherware - Football Manufacturing company

Inspirational Talk Series

Enhancing student awareness regarding career paths, we see this platform as a stepping stone towards confidence building and soft skills development for students. Hearing from seasoned professionals from the public and corporate sector will guide them towards success.

Speaker Session, Knoevo Solutions

Visit to Netsol

Industry-academia Linkages

Helping students develop skills, apply and adopt knowledge, and build entrepreneurial awareness, this initiative enables students to visit different offices/locations and acquire skills directly from industry experts.

Prestigious Internship Opportunities

Equipping students with relevant skills and experience, these internship opportunities enable students to successfully transform into competent professionals. By experiencing the professional life at NGOs in particular, students are instilled with empathy and other values.

Character Building Workshops

These workshops focus on the holistic development of our students. They are designed to cultivate essential life skills and a strong sense of self-awareness focusing on honesty, integrity, empathy, responsibility and ethical decision-making, creating well-rounded individuals prepared for the future.

Concordia Entrepreneurial Society - Think Business: Become an Entrepreneur!

The Concordia Entrepreneurial Society (CES), the newest addition to the NGP initiative, aims to foster an entrepreneurial mindset by equipping students with essential skills in digital marketing, financial literacy, communication, networking and analytics to lead successful business ventures.

Key Benefits

Mentorship Opportunities
Guidance from successful entrepreneurs and industry experts

Business Competitions
Platforms for students to pitch their ideas, gain funding, and receive feedback.

Skill-Building Workshops
Sessions on critical entrepreneurial skills such as business planning, personal branding, financial management, and marketing strategies.

Networking
Access a network of like-minded peers, mentors, and investors.

STATE OF THE ART FACILITIES

Concordia Colleges is dedicated to providing students with state-of-the-art facilities that support their academic journey. Our campuses are equipped with air-conditioned and well-maintained classrooms that promote a collaborative learning environment. The classrooms are equipped with modern tools such as overhead projectors and LEDs that facilitate audio-visual learning. In addition, our computer labs are equipped with high-speed internet connectivity, enabling students to access digital resources and conduct online research with ease.

At Concordia Colleges, we believe that practical application is a critical component of learning. To this end, our science labs are designed to integrate teaching and practical application, providing students with hands-on experience to maximise their potential. Moreover, our Learning Management System (LMS) offers students access to a range of learning resources, including notes, quizzes, and calendars that support their academic growth.

Overall, Concordia Colleges is committed to providing students with an environment that fosters academic excellence and equips them with the skills and knowledge necessary to succeed in their future endeavours.

PARENTS ON BOARD

At Concordia Colleges, we believe that parents play a vital role in the education and development of their children. We understand the importance of keeping parents informed about their child's academic progress and performance. With our 'Parents on Board' Programme, we keep all channels of communication open to ensure that parents are involved in their child's learning journey.

As part of this programme, we organise parent-teacher meetings after monthly tests where parents are given the opportunity to meet their child's teachers and discuss their academic progress. These meetings have proven to be invaluable in keeping parents updated about their child's performance and identifying areas where their child may need additional support.

We also share the results of these assessments with parents so that they can monitor their child's progress. This collaborative approach between parents, teachers, and students has proved to be very useful in promoting academic success and helping students achieve their full potential.

We believe that the involvement of parents in their child's education is crucial for their success. By keeping parents informed and involved, we ensure that our students receive the necessary support and guidance to achieve their academic goals.

CODE OF CONDUCT

For Enrolment, the College Administration Requires Students to Abide by College Rules and Regulations:

All students enrolled at Concordia College are expected to uphold the highest standards of behavior, discipline, and academic integrity. The following policies are mandatory and non-negotiable:

Attendance Policy

- Students must maintain a minimum of 80% attendance in all subjects to be eligible for internal and board examinations.
- Absenteeism without a valid reason or prior approval will be considered a violation.
- Late arrivals (after the first 10 minutes of class) will be marked as late. Three late arrivals will count as one absence.
- Students missing classes due to illness must submit a medical certificate within 3 working days.

Discipline and Behavior

- All students must show respect to faculty, staff, peers, and campus property at all times.
- Use of abusive language, bullying, harassment, or threats (verbal or physical) will result in disciplinary action.
- Students must avoid any behavior that disrupts the academic environment or damages the college's reputation.

Misconduct

- Cheating, plagiarism, or any form of academic dishonesty is strictly prohibited and may result in expulsion.
- Possession of prohibited items (e.g., weapons, drugs, vapes, alcohol) will result in immediate disciplinary action and possible legal consequences.
- Participation in political, religious, or unauthorized group activities on campus is not allowed without prior approval.

Uniform Policy

- Students must wear the prescribed uniform daily as per the college's dress code.
- Uniforms must be clean, properly worn, and complete at all times during college hours.
- Students not in proper uniform may be denied entry or marked absent.

Adherence to BISE Policy

- All students of Intermediate level must strictly follow the rules and regulations set by the Board of Intermediate and Secondary Education (BISE).
- Any violation of BISE examination policies, including unfair means, may result in cancellation of exams and legal action by the board.

Adherence to University Policies

- Students enrolled in affiliated undergraduate programs must comply with the rules of the partner universities regarding academics, examination, and conduct.
- Ignorance of university rules is not a valid excuse for non-compliance.

Fee Deposit and Payment Policy

- Students are required to pay all college dues on or before the deadline mentioned on the fee voucher.
- Late submission of fees will attract a penalty as defined in the fee policy.
- Continuous delay in fee payment may lead to withholding of academic records, ineligibility for exams, or suspension.

Note:

The college holds the right to report serious misconduct to the relevant education board or law enforcement if necessary. By enrolling at Concordia College, every student agrees to abide by this Code of Conduct and understands the consequences of non-compliance.
